

MUDFEST

GENERAL RULES

- All drivers that are competing in the points system will be assigned a permanent number for the season. You are responsible for your number for the race season.
- If you are caught cheating at any MUDFEST event you will be disqualified and will no longer be able to race again at MUDFEST.
- All drivers are responsible for their pit crews.
- There is absolutely NO DRINKING at all while you are racing. After you are finished with your classes have a great time!!
- MUDFEST has the right to use a breathalyzer on any racer at any time!
- MUDFEST has the right to re-check any vehicle at any time during the race.
- We must have at least 3 racers to make a class.
- Doors on all vehicles must remain in their original position
- Any vehicle without a top must have a roll bar.
- Seatbelts are mandatory
- Helmets are required to race
- Mudfest does not allow any passengers in the vehicle that is racing.
- Easy hook up must be on front of the vehicle and will be checked during racer registration.
- Diesel trucks will be teched and from there will be in the classes named depending on the modifications due to the vehicle.
- Point System is as follows :
 - 1ST Place = 10 Points
 - 2ND Place = 9 points
 - 3RD Place = 8 Points
 - 4TH Place = 7 Points
 - 5TH Place = 6 Points
 - 6TH Place = 5 Points
 - 7TH Place = 4 Points
 - 8TH Place = 3 Points
 - 9TH Place and remaining racers = 2 Points
- All races will be counted. There will be no points dropped at the end of the season.
 - Points go with the driver
- The vehicle you have teched at the begin the race is the vehicle that you must finish the race.
You may **NOT** use another vehicle to finish the race if you break.

**Our techs reserve the right to place any vehicle
In to the class they see fit due to any modifications.
Regardless of written rules at any time.**
